

The free Go60+ shuttle is designed to help Oakhurst residents age 60 and older take advantage of services in Decatur’s commercial district: grocery stores, pharmacies, medical and dental offices, public library, government offices and the Post Office. It also provides access to entertainment and cultural opportunities at the Decatur Recreation Center and on the square.

The schedule and stops are subject to change based on your suggestions, so tell us what you think.

Shuttle riders may get off at any designated stop and stay as long as they like but must take care to catch the last shuttle of the day to return to Oakhurst. A schedule is included in this brochure.
