

Has Your in-Home Care Been Impacted by COVID?

“Before the pandemic, I had home service agencies help out at home, but I’d much rather pay a family member whom I know is safe.”

“My daughter lost her job to the pandemic. I wish she could be my paid caregiver.”

“I want to hire a physical therapist whose safety policies I feel comfortable with.”

The CARES Flex Program provides a monthly budget to individuals or caregivers for needs including bathing, dressing, laundry, meals, day programs, assistive technology, and more.
