

## **Metro Atlanta Area Agency On Aging One2One Telephone Reassurance program**

One2One is a free phone-based outreach program that supports at-risk adults over 60, people with disabilities who typically live alone, are homebound, and have little or no caregiver support in metro Atlanta. The program seeks to decrease social isolation and loneliness by providing ongoing companionship and support, enabling people to remain in their own homes and stay connected to their communities.

We are currently **SEEKING VOLUNTEERS** who enjoy and value conversations with older adults and would like to help during this challenging time.

Anyone interested in participating as a volunteer with the *One2One* Telephone Reassurance Program can attend any of the following sessions:
